The wellbeing and travel enjoyment of our guests is our paramount priority. Premier World Discovery (PWD) will continue to follow guidelines from all authorities and government advisories and remains in touch with our on the ground suppliers and airlines, to assess each individual itinerary we operate.

**Current Departure Update**

As a result of continued restrictions in place for international travel, PWD has suspended operations for international tours and River Cruise Charters scheduled to depart through the end of July 2021, with operations expected to resume in the third quarter of 2021. Operations for some domestic itineraries resumed in September 2020, and most domestic tour programs are now operating. We have notified all travelers affected by suspended tour departures and continue to work with travelers to reschedule their trip to a later date or offer travel credit toward another PWD itinerary. We are in constant contact with suppliers, including airlines and ground operators, to evaluate the situation as it evolves, and will provide updates should the situation extend beyond the departures currently affected.

**Travel Safety – Premier World Discovery’s Commitment to Wellness**

PWD has implemented protocols, including preventative measures, to prioritize the safety of our guests & staff. An overview of PWD’s general health and safety initiatives is available on [https://premierworlddiscovery.com/wellness](https://premierworlddiscovery.com/wellness). Guests are encouraged to follow CDC recommendations for prevention. Some of the CDC recommendations include but are not limited to washing hands frequently with soap and water, avoiding touching eyes, nose, and mouth, limiting close contact and covering your mouth and nose with a mask when around others. For more information please visit the CDC link below. [https://cdc.gov/coronavirus/2019-ncov/about/prevention-treatment.html](https://cdc.gov/coronavirus/2019-ncov/about/prevention-treatment.html)

**Destinations Requiring Passengers to Show Proof of Vaccination or Negative COVID-19 Test**

Some states and destinations such as certain National Parks do currently require for tour group passengers to either be fully vaccinated or be tested for COVID-19 immediately prior to their trip. As the regulatory requirements are adjusted frequently by federal-, state-, and local authorities, we will notify affected passengers if there is a requirement to either show Proof of Vaccination or a Negative COVID-19 Test approximately 30-60 days prior to departure, to provide the most current and accurate information for each tour program and destination. Such requirements and their implementation are outside of PWD’s control and it is each passenger’s responsibility to adhere to federal-, state-, and local laws and applicable health regulations in place at the respective tour destination(s).

**PWD Passenger Assurance Plan – No Risk Deposits for New Bookings**

Book before June 30, 2021 & Travel before December 31, 2021 – For bookings made between 3/10/20 and 06/30/21, Premier World Discovery is temporarily waiving cancellation fees** until 75 or 90 days prior to departure (varies by itinerary). This allows guests to Deposit on a new trip without the worry of any cancellation fees prior to the Final Payment Date.

**Cancellation fee waiver for NEW 2021 BOOKINGS applies to the normally applicable non-refundable Deposit (or TPP) prior to Final Payment Date. Cancellation fee waiver applies to all Premier World Discovery land tours and European River Cruise Charters with the exception of those that include specific payment conditions, such as cruises. After Final Payment Date, Standard Terms & Conditions apply.**
PWD Revised Cancellation and Rebooking Policies

We share our travelers concerns about upcoming travel. As such, we have created revised rebooking and cancellation policies to provide flexibility on most programs to rebook when you can look forward to your trip without concern for your health and safety. Other than airline assessed fees, you may apply the full value of what you have paid toward future travel until 75 days prior to departure. Airline fees are based on your specific ticket, and typically fully non-refundable. When you rebook, we will also work with your ticketed airline to attempt to secure Air Credit. While not guaranteed, if successful we will apply this value as an Air Credit toward future travel (Air Credit limitations & expiration dates apply and vary based on individual ticket and airline policies).

Please note, the Travel Protection Plan and most travel protection policies typically do not consider cancellations due to pandemic-related reasons as covered events.

Revised Cancellation- and Rebooking Policies are not retroactive and do not apply to previously canceled/amended bookings. All re-bookings and cancellations are processed based on the policy in effect at the time the request to cancel/change a booking is received by PWD. See below for specific destination and product line exclusions.

PWD Land Tours - not applicable to Passion Play 2022 or other Programs involving overnight Cruises.

0-74 days prior to departure

Q & A

What are my Rebooking options?

**Rebooking Option #1 – Same Itinerary – New Date** - Moving or rescheduling your existing Reservation to the same tour on another departure date & applying the Future Travel Credit to that new Reservation. Option #1 would give you the best chance to utilize any air credit.

**Rebooking Option #2 – Different Itinerary – New Date** - Rescheduling to a different itinerary on another departure date & applying the Future Travel Credit to that new Reservation.

**Rebooking Option #3 – Credit Now – Itinerary Decision Later** - If you need more time to make your rebooking decision, we can send you the Future Travel Credit that can be applied at a later date to the same or different itinerary on another departure date. Just be sure to make your new Reservation for a departure date prior to 12/31/2022.
